Please join us!

The Algalita Marine Research Foundation is inviting local environmental organizations to participate in the *Watershed Expo* with displays and demonstrations for the general public. We will provide a table and two chairs. Please include a **hands-on activity** at your table. Rain or shine, the *Watershed Expo* will take place on Saturday, March 25, and will be a free, all-day community education event starting at 10:00 am and closing at 5:00 pm. All booths will be outside unless it rains, then tables will be made available indoors.
